* The *Registration Districts*, 636 in number at the end of the year 1903, are generally co-extensive with the Poor Law Unions of the same names. They are divided into Sub-districts (2051 in number), each having a Registrar of Births and Deaths. The letter *W* denotes a Workhouse, or a Workhouse Infirmary belonging to the District or Union in which it stands; *w* indicates a similar Institution belonging wholly or partly to other Districts or Unions; *F* a Hospital for Infectious Diseases; *H* another Hospital; *L* a Lunatic Asylum. When a Sub-district contains more than one institution of either kind, the number is indicated by a figure prefixed to the letter. The deaths in these Institutions are shown on pages 75–124.

† These areas are derived from those published in the Census Report for 1901. They do not include space occupied by foreshore or tidal water of rivers and creeks.

‡ 2.—The district of FULHAM comprises the two Poor Law Parishes of HAMMERSMITH and FULHAM.

§ 8: 1, 4, 5.—On 1st July, 1903, Camden Town sub-district was abolished and changes made in the boundaries of Regents Park (renamed West St. Pancras) and Somers Town (renamed East St. Pancras) sub-districts. Kentish Town sub-district was renamed North St. Pancras. See page 316. The births and deaths for West St. Pancras and East St. Pancras cannot be shown separately; they are printed against the latter sub-district.

DEATHS IN WORKHOUSES, HOSPITALS, LUNATIC ASYLUMS, AND IDIOT ASYLUMS.

1903.

The following table shows the numbers of deaths (persons, males, and females) registered during 1903 in Workhouses, Hospitals, Lunatic Asylums, and Idiot Asylums of England and Wales. These figures afford the means of correcting the mortality of the districts and sub-districts in which these institutions are situated. The table includes 2677 institutions; of these 806 are Workhouses, Workhouse Infirmaries, or Workhouse Schools; 1737 are Hospitals or Infirmaries; and 134 are Lunatic Asylums. The Lunatic Asylums comprise County and Borough Asylums, Lunatic Hospitals, and Idiot Asylums. In these 2677 institutions 85,705 deaths were registered during the year, or 16·65 per cent. of the total deaths in England and Wales, against 15·13 and 16·54 per cent. in the two preceding years; 45,486 occurred in Workhouses, 30,599 in Hospitals, and 9620 in Lunatic Asylums. The proportion to total deaths was 8·83 per cent. in Workhouses, 5·95 in Hospitals, and 1·87 in Lunatic Asylums. The proportion of deaths recorded in Workhouses, which had been 8·05 and 8·53 per cent. in 1901 and 1902 respectively, was 8·83 per cent. in 1903.

Information relating to the deaths recorded in many Private Lunatic Asylums, and in a few other institutions, will be found in the notes to the table.

LONDON—CAUSES of DEATH at different Periods of Life, 1903—MALES.

Note.—The figures in this Table differ in some cases from those published in the Annual Summary. This is due in part to differences of detail in the two tables; but largely to the fact that in the tables of the Summary, but not in those of this Report, correction is made for Deaths occurring in Public Institutions (*see* Note (*) on p. xxi. of Annual Summary). And, further, the two tables do not relate precisely to the same period.

The terms printed in italics being the names of symptoms merely, or being unauthorized or otherwise objectionable, should be used in medical certificates only when precise information is unobtainable.

INDEX OF REGISTRATION DISTRICTS.

The following Index furnishes a reference to the *Number* of each REGISTRATION DISTRICT, according to the topographical arrangement adopted in the Tables of Abstracts contained in the Report.* Districts having compound names are placed alphabetically according to the initial letter of the word spoken first locally : thus, East Ashford will be found under the letter E, and *not* under A.

For names of Towns such as Accrington, Queenborough, &c., which are not found in this "Index of Registration Districts," see the "Index of Registration Sub-districts" (pp. 294–304) *and "Index of Urban Districts"* (pp. 305–315).

In consequence of numerous alterations in districts since the numerical arrangement, 1 to 623, was adopted in the Abstracts for the year 1847, the districts were re-numbered consecutively from 1 to 630 in the Abstracts for the year 1881. Since that date the districts of Woburn (174) and Guiltcross (231) have been dissolved and eight new Registration Districts have been formed, the District of Kensington having been divided into Paddington (1*a*) and Kensington (1*b*), the District of Lewes into Lewes (76*a*) and Newhaven (76*b*), the District of Caistor into Grimsby (424*a*) and Caistor (424*b*), the District of Glossop into Glossop (442*a*) and Hayfield (442*b*), the district of Chester into Chester (450) and Hawarden (617*b*), the District of Bradford into Bradford (497*a*) and North Bierley (497*b*), the District of Stockton into Stockton (543*a*) and Sedgefield (543*b*), and the District of Anglesey into Anglesey (630) and Holyhead (631).

INDEX OF REGISTRATION SUB-DISTRICTS.

In this arrangement the principle is adopted of placing the Sub-Districts (or Registrars' Districts) having *compound names* in alphabetical order according to the initial letter of the word spoken first locally; thus, East Grinstead will be found under the letter E, and not as "Grinstead, East"; St. James under the letter S, and not as "James, St." The number against each Sub-District, in the third column, refers to its numerical place in the Tables of Abstracts; thus Abbey Holme (573; 2) is the 2nd Sub-District of Wigton District (No. 573).
