General footnotes

(a) A census was not taken in Northern Ireland for the year 1948 but estimates based on the census taken there for the year 1949 have been included in this table. The figures for 1907 cover the whole of Ireland. Details of classification and other changes affecting comparison of figures between the years are given in Table 1.

(b) For 1907, separate particulars are not available for England and Wales and the figures for England include those for Wales where appropriate. For other years where separate country information is not available the figures have been included in England with the following exceptions:-

MLH	YEAR	
362	1948, 1949 and 1951	
429(1)	1948	Scotland included with Wales
101	1930 and 1935	
219	1958	Northern Ireland included with Wales
231	1930	
354	1963
