Labour  Llafur

The EU means jobs, exports and security for Wales.

Wales benefits from being in the EU:

- ✓ 43 per cent of Welsh exports go to the EU – worth £5.8 billion last year
- ✓ 3 million British jobs are linked to trade with Europe, including 150,000 in Wales
- ✓ £26.5 billion investment in Britain a year
- ✓ Many workers' rights, including the right to holiday pay, come from our EU membership

That's why Labour is in for Wales.

Mae'r UE yn golygu swyddi, allforion a diogelwch i Gymru.

Mae Cymru'n elwa ar fod yn yr UE:

- ✓ Mae 43 y cant o allforion Cymru'n mynd i'r UE – oedd yn werth £5.8 biliwn y llynedd
- ✓ Mae 3 miliwn o swyddi Prydain yn gysylltiedig â masnachu ag Ewrop, yn cynnwys 150,000 yng Nghymru
- ✓ Buddsoddiad o £26.5 biliwn y flwyddyn ym Mhrydain
- ✓ Daw hawliau llawer o weithwyr, yn cynnwys yr hawl i dâl gwyliau, o'n haelodaeth â'r UE

Dyma pam y mae Llafur i mewn ar gyfer Cymru.
