VOTE LEAVE AT THE REFERENDUM

VISION

Let's leave the European Union

- Restore the country's power over its laws
- Save £12bn of taxpayers' money
- Build stronger ties with the rest of the world

MIGRATION

1.5m EU migrants moved to the UK in 2004-2010.
Migration poses a threat to low income workers in our country.
Migration accounts for 1/3 of the deficit in social housing.

MONEY

The average household will save £933 a year.
By saving £12bn a year we could build 34 new hospitals.

DEMOCRACY

65% of Britain's laws are influenced by the EU. By leaving the EU, the accountability of our laws and leaders will dramatically improve.

TRADE

UK exports to the rest of the world are growing 3 times as fast as the UK's exports to the EU. As an EU member the UK cannot enter into its own trade agreements.
