PREFACE

This Report on the Metropolitan Area of Port Elizabeth is one of a series of fourteen similar reports which are being published in respect of the metropolitan areas. The other metropolitan areas are Johannesburg, Durban, Vanderbijlpark/Vereeniging, O.F.S. Goldfields, Germiston, East Rand, West Rand, Pretoria, Bloemfontein, East London, Kimberley, Pietermaritzburg and Cape Town.

A metropolitan area is generally defined as an urban complex consisting of a parent municipality, together with the adjoining areas which are urban in character, and which are economically and socially linked with the parent town. In the case of Port Elizabeth the metropolitan area comprises the municipal area of Port Elizabeth and the adjoining urban areas of Walmer and Bethelsdorp.

The Report has been compiled from the results of the Population Census, which was taken on the 6th September, 1960. The tables contain, inter alia, information concerning attributes such as age, marital status, home language, official language, place of birth, citizenship, religion, level of education, industry, occupation, identity of employer, work status, income, etc., or combinations thereof.

D.P.J. BOIHA

VOORWOORD

Hierdie verslag oor die metropolitaanse gebied van Port Elizabeth is een in 'n reeks van veertien soortgelyke verslae wat ten opsigte van die metropolitaanse gebiede gepubliseer word. Die ander metropolitaanse gebiede is Johannesburg, Durban, Vanderbijlpark/Vereeniging, O.V.S. Goudvelde, Germiston, Cos-Rand, Wes-Rand, Pretoria, Bloemfontein, Cos-Londen, Kimberley, Pietermaritzburg en Kaapstad.

'n Metropolitaanse gebied word in die algemeen omskryf as 'n stedelike kompleks wat bestaan uit 'n moeder-munisipaliteit tesame met die aangrensende gebiede wat stedelik van aard is en wat ekonomies en maatskaplik aan die moederstad gekoppel is. In die geval van Port Elizabeth bestaan die metropolitaanse gebied uit die munisipale gebied van Port Elizabeth en die aangrensende stedelike gebiede van Walmer en Bethelsdorp.

Die verslag is opgestel uit die resultate van die Bevolkingsensus wat op 6 September 1960 gehou is. Die tabelle bevat onder meer inligting oor eienskappe soos ouderdom, huwelikstaat, huistaal, amptelike tale, geboorteplek, burgerskap, godsdiens, onderwyspeil, nywerheid, beroep, identiteit van werkgewer, werkstatus, inkomste, ens., of kombinasies daarvan.

EXPLANATORY NOTES

1. Comparability: The total population of the metropolitan area, as shown in this report, differs slightly from that reflected in the report "Geographical Distribution of the Population, 1960". The main reason for this deviation is that, whereas foreign visitors were included in the latter report, such visitors have been excluded from all the tables in this report, with the exception of Table 23. It should further be noted that the statistics contained in this report have been machine-processed, which necessarily resulted in small differences. This also accounts for the differences, in some cases, between tables. These deviations are, however, relatively insignificant, and can therefore be ignored.

2. Marital status: "Married" includes "living together".

3. Religion: As far as the reliability of the data is concerned, it must be noted that:

- (i) many persons may have stated their religion as belonging to a specific church although they may, in fact, only be followers of that church and not necessarily members;
- (ii) children are usually enumerated as belonging to the same church as their parents, although they may not necessarily be members of, nor have they even been baptised in, that church;
- (iii) persons not being active members, are often not acquainted with the correct denomination of their church and may consequently be incorrectly classified.

All the Bantu separatist churches are included under "Bantu Christian Churches", as it was not possible to distinguish, from the scant information furnished on the questionnaire, between the several hundreds of Bantu churches.

4. Level of education: The figures refer to the highest level of education for which recognition has been obtained and relate to the total population and not only the school-going population.

- (i) Academic or general courses: Where the training is primarily of cultural value and the course has not been specially compiled for a specific profession or calling, e.g. B.A. and B.Sc., but also M.A. and M.Sc., and D.Sc. and Ph.D., notwithstanding that in the case of master's and doctor's degrees the person might have specialised in a certain subject.
- (ii) Professional or vocational courses: Where the title indicates that the course has been compiled for a specific profession or vocation, e.g. B.Sc. (eng.) B.Com., B.A. LL.B., B.Ed., D.Sc. (eng.), etc.

5. Nature of Education relates to persons who have obtained a post-school qualification (degrees, diplomas or certificates). The relevant tables indicate the nature of the degree, diploma or certificate obtained.

6. Type of dwelling: The figures are in respect of the type of dwelling in which a person normally lives and not the dwelling in which he was present on census day. The following types of dwelling merit further explanation:

- (i) Institutions - where persons reside for long periods, e.g. mental and leper institutions, central prison, homes for the aged and homes for the chronically ill, orphanages, etc.
- (ii) "Other communal dwellings" - include barracks, quarters and similar communal dwellings, hostels, etc.
- (iii) "Other" - includes hut, tent, caravan, servant's room, outside room, etc.

7. Economically active: The economically active population includes employers, self-employed workers, employees and persons who stated that they were unemployed or were presumed to be unemployed.

8. Not economically active: The not economically active population includes housewives, scholars, chronic invalids, retired persons, etc.

9. Unemployed and unspecified: This item forms part of the economically active population and includes persons who indicated that they were unemployed at the time of Census enumeration, together with persons who were presumably on the labour market and who indicated no occupation or industry on the return.

10. Industry divisions: With the exception of Table 2, which reflects figures in respect of a more detailed list of industries, only eleven major industry divisions are dealt with in this report. The classification of industries is based on the "International Standard Classification of All Economic Activities", as compiled by the United Nations, with necessary adjustments for local conditions.

The following is only an indication of what is included under the various industry divisions, and for a more complete description, Table 2 should be consulted.

- (i) Agriculture: Agriculture, forestry, hunting and fishing, including agricultural services such as veterinary services and diverse services, e.g. spraying of crops, harvesting, threshing, etc., if carried out as a separate business.

(ii) Mining: Mining and quarrying.

(iii) Manufacturing: Includes enterprises which generally carry out specialised repairs to motor vehicles, such as panel beating, spray painting, welding, repair of radiators, etc.

(iv) Construction which includes building, repairing and demolishing buildings, as well as construction engineering works.

(v) Electricity: Electricity, gas, water and sanitary services, which include the generation of electricity and production of gas and the distribution thereof, as well as storage, purification and distribution of water. Sanitary services include those undertaken by local authorities as well as by private contractors.

(vi) Commerce which includes:

(a) Wholesale and retail trade.

(b) Motor trade which, in addition to the sale and purchase of motor cars, dealers in spare parts, wholesale distributors of motor vehicles, dealers in tyres, etc., includes general garages with workshops.

(c) "Other": This category includes, inter alia, banks, insurers and other financial institutions, as well as undertakings dealing with fixed property.

(vii) Transport: Transport, storage and communication, which includes public and private transport, with the exception of those divisions of the South African Railways which are classified under other appropriate divisions, e.g. design and works (construction), workshops (manufacturing), etc.

(viii) Services: (Government, business, recreational and other services.) This division includes the Public Service, provincial administrations and local authorities, with the exception of those departments or divisions which have been separately classified under other appropriate industry divisions. Also included are educational, medical and health services, and research and scientific institutions, which usually undertake research in various directions on a non-profit basis. It further includes religious, welfare and labour organisations; organisations for the advancement of business interests; cultural and political organisations; business services comprising architects, engineers, land surveyors, legal services, and accountancy services; recreational and amusement services and other services such as domestic, catering and accommodation services, laundries and toilet services.

11. Occupation groups: Only Table 3 contains figures for a more detailed list of occupations. For the rest, only fourteen major occupation groups are distinguished. The classification of occupations used for the purposes of this report is based on the "International Standard Classification of Occupations", as compiled by the International Labour Organisation, with necessary adjustments for local conditions. The basis of the classification of each occupation is the nature of the work done. There are, therefore, occupations such as clerk, typist, driver of motor vehicles, etc., which occur in almost all of the various industry groups. On the other hand, there are certain occupations with the same designation, but which are variously classified according to the industry, e.g. driver, machine minder, mechanic, electrician, upholsterer, etc. Thus the nature of the work in these cases is closely related to the industry.

For a more complete reflection of what is included under the various major occupational groups, Table 3 may be consulted. In interpreting the data, it must be borne in mind that the data are not always limited to the occupation indicated; e.g. electrician includes related workers in electricity, etc.

However, the following major occupation groups merit further explanation:-

(i) Administrative, executive and managerial worker:-

(a) Public administrative official relates to administrative officials in the Public Service, provincial administrations and local authorities.

(b) Managerial worker relates to directors, managers and working proprietors in private enterprises. Working proprietors in the wholesale and retail trade, however, are included under the major occupational group "sales worker", while farmers and farm managers fall under the major occupational group "farmer, fisherman, forester and related worker". An accurate classification of these occupations was not always possible, since the information supplied on the returns was inadequate in a large number of cases.

(ii) Artisan, production worker and labourer:

(a) Artisan and production worker: This major occupation group includes skilled artisans and production workers, as well as semi-skilled and unskilled production workers. Apprentices are also included.

(b) Labourer: With the exception of farm labourers, who are included under the major occupational group "farmer, fisherman, forester and related worker", all other labourers, whether in mining, manufacturing, or construction, etc., are included under this major occupational group. It must be borne in mind that, because of inadequate information, an accurate classification was not always possible, especially in the case of Bantu. The general term "labourer" was used in many returns and was classified as such, although the code list made provision for more appropriate classifications. Where these other occupations such as filling station assistant, cleaner of offices or buildings, etc., could be identified, they were classified accordingly.

(iii) Service, sport and recreation worker includes a number of divergent occupations for service workers. Included are police officers, prison officers, traffic inspectors, supervisors, cleaners of offices and other buildings, domestic servants, cooks, etc., in private households as well as in hotels, boarding-houses, etc., waiters, barmen, hairdressers and other toilet service workers, laundry workers, undertakers, amusement, recreation and other sport workers.

12. Identity of employer comprises the following groups:

(i) Public authorities:

(a) The Government

(b) Provincial administrations

(c) Local authorities established in terms of local Government Ordinances, the Cape divisional councils and all other local authorities (Peri-urban Areas Health Board, Natal Health Commission, etc.)

(d) Bantu authorities (tribal, regional and area) and Bantu Resettlement Board.

(ii) Subordinate public authorities: This group includes the Group Areas Board, S.A. Bantu Trust, etc.

(iii) Subsidised institutions: Included are the Council for Scientific and Industrial Research (C.S.I.R.); the South African Bureau of Standards (S.A.B.S.); universities and certain technical colleges; national art galleries, botanical and zoological gardens; museums, libraries; National Parks Board of Trustees; S.A. Tourist Corporation, etc.

(iv) Public corporations:

(a) S.A. Railways and Harbours, S.A. Airways.

(b) "Other" includes Electricity Supply Commission (ESCOM), Rand Water Board, S.A. Reserve Bank, the Land and Agricultural Bank, the Industrial Development Corporation, the Fisheries Development Corporation, the Bantu Investment Corporation, the S.A. Coal, Oil and Gas Corporation (SASOL) Phosphate Development Corporation (Pty.) Ltd., S.A. Iron and Steel Industrial Corporation, Ltd. (ISCOR) and the Klipfontein Organic Products Corporation, etc.

(v) Private Business Enterprises: Include agriculture, mining, manufacturing, construction, finance, commerce (including agricultural control boards), transport, catering, accommodation and other service industries; societies and federations for the advancement of business interests; institutes for specific industrial research, etc.

(vi) Private households.

(vii) Non-profit organisations: Include societies, clubs and other groups of persons who have associated for educational, cultural, recreational, welfare, religious, charitable and other purposes; trade unions, etc.

13. Work status:

(i) Employer: Includes self-employed and family workers.

(ii) Employee: Includes persons who might presumably have been connected with the labour force. Where "unemployed" was not shown as a separate group, it was included hereunder.

(iii) Unemployed: Includes persons who indicated that they were unemployed and who were presumed to be unemployed.

(iv) Other: Relates to the not economically active population, and includes persons who were presumed not to be in the labour force, e.g. housewives, children, chronic invalids, pensioners, etc.

14. Income: In the questionnaire for the Population Census of 1960, which had to be completed by Whites, Coloureds and Asiatics, it was requested that, as far as income was concerned, persons should indicate their total income during the 12 months immediately preceding 6th September, 1960, or if so preferred, for the 12 months ended 30th June, 1960.

In the instructions to householders, "income" was defined as follows:-

"Income: Salary and wage earners must show the gross income, that is, including deductions for pension, insurance, medical-aid schemes, etc. Farmers, businessmen and professional men must show the net income, that is, the expenses incurred in earning the income must be deducted. In addition to earned income, the following must be included:- (i) pensions, dividends, interest and other regular income; (ii) the value of free or privileged quarters and/or rations; and (iii) the value of self-produced agricultural and pastoral products (including livestock and poultry) consumed by the family.

Do not include: (i) irregular or abnormal income such as inheritances, matured insurance policies, gratuities, etc.;

(ii) household allowances and pocket-money transferred from one member of the family to another".

The question concerning "income" is one of the more difficult questions in a population census. This is because, for no apparent reason whatsoever, people not only neglect to answer the question, but they also supply information which is not always in accordance with the definition. In addition, the income indicated is not always for the full twelve months, because a number of persons were not economically active for the full period, e.g. students and scholars who completed their studies and started work during the period concerned. However, the information received, provides a reasonable indication of the income.

It must also be noted that "No income" includes not economically active persons such as children, housewives, etc.

15. Domicile: In table 56 which relates to Bantu only, the "area of domicile" is combined with "type of area". Both characteristics are concerned with permanent residence; the former indicates where the permanent residence is, and the latter relates to the type of area within the specific area of domicile. For a description of the economic regions referred to in the table, consult the map and guide at the beginning of this report.

16. Area of enumeration: Table 55 which relates to Bantu only, indicates the type of area in which the persons were enumerated. The following types of areas merit further explanation:

(i) Other urban areas: Residential areas within the municipal boundaries but excluding municipal locations and compounds.

(ii) Sub-urban areas: Residential areas adjoining the municipal area but excluding municipal locations and compounds.

(iii) Government areas: Include agricultural colleges, training and experimental farms, forestry and labour colonies, etc.

(iv) Other: Includes ship and railway passengers.

17. Improbable combinations: It should be noted that some information furnished on the census forms was sometimes apparently incorrect, since it did not agree with other information on the forms. These inconsistencies were not solved by the Bureau in all cases and consequently some are reflected in tables such as those where combinations of industry and identity of employer; industry and occupation; occupation and level of education, etc., are shown.

18. Country of birth: The names of the following countries have been changed since the date of the Census:-

Northern Rhodesia has become Zambia

Nyasaland has become Malawi

Tanganyika has become Tanzania

19. Abbreviations and symbols:

M. : Male

F. : Female

T. : Total

Std. : Standard

E.g. : For example

Etc. : Et cetera

Dip. : Diploma

N.e.c. : Not elsewhere classified

S.A.R. & H. : South African Railways and Harbours

S.A.A. : South African Airways

S. African : South African

S. Africa	: South Africa
S.A.	: South Africa
O.F.S.	: Orange Free State
?	: Unspecified
-	: A minus sign before a figure means "less than", e.g. -20 means less than 20
+	: A plus sign after a figure means "and over", e.g. 65+ means 65 and over.
-	: Nil or not applicable

#### VERDUIDELIKENDE OPMERKINGS

- Vergelykbaarheid:** Die totale bevolking van die metropolitaanse gebied soos in hierdie verslag getoon, verskil in 'n geringe mate van dié gepubliseer in die verslag "Geografiese Indeling van die Bevolking - 1960". Die vernaamste rede vir hierdie afwyking is dat terwyl buitelandse besoekers by laasgenoemde verslag ingesluit is, sodanige besoekers in alle tabelle, uitgesonderd tabel 23 van hierdie verslag, uitgesluit is. Voorts moet daar ook op gewys word dat die statistieke in hierdie verslag vervat, masjinaal verwerk is wat noodwendig tot gevolg het dat daar klein verskille voorkom. Dit is dan ook die rede waarom in sommige gevalle in hierdie verslag tabelle van mekaar verskil. Relatief gesproke is hierdie afwykings egter onbeduidend en kan dus ignoreer word.
- Huweliksaat:** "Getroud" sluit in "leef saam".
- Godsdienst:** Wat die betroubaarheid van die gegewens betref, moet daar op gelet word dat:
  - baie persone hulle godsdienst opgee het as behorende tot 'n spesifieke kerk hoewel hulle in werklikheid slegs aanhangers van daardie kerk is en nie noodwendig lidmate nie;
  - kinders gewoonlik opgee word as behorende tot dieselfde kerk as hul ouers hoewel hulle nie noodwendig lidmate is nie of selfs nie eers in daardie kerk gedoop is nie;
  - persone wat nie aktiewe lidmate is nie, dikwels nie bekend is met die juiste benaming van hulle kerk nie en gevolglik nie reg geklassifiseer is nie.

Al die Bantoeseparatistekerke word onder "Bantoe-Christenkerke" saamgevat aangesien dit nie moontlik was om uit die beperkte inligting wat dikwels op die vraelyste aangegee is, tussen die etlike honderde Bantoekeke te onderskei nie.
- Onderwyspeil:** Die syfers verwys na die hoogste onderwyspeil waarvoor erkenning gekry is en het betrekking op die totale bevolking en nie net op die skoolgaande bevolking nie.
  - Akademie of algemene kursus:** Waar die opleiding allereers van 'n kulturele waarde is en die kursus nie spesifiek opgestel is vir 'n bepaalde professie of beroep nie, bv. B.A. en B.Sc., maar ook M.A. en M.Sc., en D.Sc. en Ph.D., niestandaard in die geval van meesters- en doktorsgrade die persoon moontlik gespesialiseer het in 'n bepaalde onderwerp.
  - Professionele of beroepskursus:** Dit is waar die titel aandui dat die kursus opgestel is vir 'n spesifieke professie of beroep bv. B.Sc. (Ing.), B.Com., B.A.L.L.B., B.Ed., D.Sc. (Ing.), ens.
- Aard van onderwys** het betrekking op persone wat die een of ander naskoolse kwalifikasie (grade, diplomas of sertifikate) verwerf het. In die betrokke tabel word die bepaalde rigting waarin sodanige grade, diplomas of sertifikate verwerf is, aangedui.
- Tipe woning:** Die syfers het betrekking op die tipe woning waar 'n persoon normaalweg woon en nie die woning waarin hy hom op sensusdag bevind het nie.

Die volgende tipe wonings verdien verdere verduideliking:

- Inrigtings** - waar persone vir lang tydperke inwoon, byvoorbeeld sielsieke- en leprosegestigte, sentrale gevangenis, ouetehuse en tuistes vir die wat chronies siek is, weeshuse, ens.

- "Ander gemeenskaplike wonings" - sluit in barakke, kwartiere en soortgelyke gemeenskaplike wonings, koshuise, ens.
- "Ander" - sluit in hut, tent, karavaan, bediendekamer, buitekamer, ens.

- Ekonomies bedrywig:** Die ekonomies bedrywige bevolking sluit in werkgewers, werkers vir eie rekening, werknemers en persone wat hulle opgee het as werkloos, of veronderstel is om werkloos te wees.
- Nie-ekonomies bedrywig:** Die nie-ekonomies bedrywige bevolking sluit huisvrouens, skoliere, chroniese invalides, afgetredenes, ens., in.
- Werkloos en ongespesifiseer:** Hierdie item maak deel uit van die ekonomies bedrywige bevolking en sluit in persone wat aangedui het dat hulle werkloos is ten tye van die sensusopname, asook persone wat vermoedelik in die arbeidsmark is en wat geen beroep en/of nywerheid in die opgawe vermeld het nie.
- Nywerheidsafdelings:** Met uitsondering van tabel 2 wat syfers ten opsigte van 'n meer gedetailleerde lys van nywerhede verstrek, word daar in hierdie verslag slegs elf hoof-nywerheidsafdelings onderskei. Die nywerheidsklassifikasie is gebaseer op die "International Standard Classification of All Economic Activities" soos deur die Verenigde Volke opgestel, met die nodige aanpassings vir plaaslike omstandighede.

Die volgende is slegs 'n aanduiding van wat by die verskillende nywerheidsafdelings ingesluit is en vir 'n vollediger omskrywing is dit nodig dat tabel 2 geraadpleeg word.

- Landbou:** Landbou, bosbou, jag en visvangs, insluitende landboudienste waaronder veeartsenykundige dienste en diverse landboudienste soos bespuiting van gesaaides, oes, dors, ens., indien dit as 'n afsonderlike besigheid beoefen word.
- Mynwese:** Mynwese en steengroefwerk.
- Fabriekswese:** Sluit in ondernemings wat gespesialiseerde herstelwerk aan motorvoertuie in die algemeen doen, byvoorbeeld duikklopping, spuitskilderwerk, sweis, herstel van verkoelers, ens.
- Konstruksie** wat insluit bou, herstel en sloop van geboue sowel as boukundige ingenieurswerke.
- Elektrisiteit:** Elektrisiteit, gas, water en sanitêre dienste wat insluit die opwekking van elektrisiteit en gasontwikkeling en die distribusie daarvan, asook die opparing, suiwering en distribusie van water. Sanitêre dienste sluit in dié wat onderneem word deur plaaslike owerhede sowel as private kontrakteurs.
- Handel** waarby ingesluit is:
  - Groot- en kleinhandel.**
  - Motorhandel** wat benewens die koop en verkoop van motors, handelaars in reserwedele, groothandeldistribueerders van motorvoertuie, handelaars in buitelande, ens., ook algemene garages met werkwinkels insluit.
  - "Ander":** Hierdie afdeling sluit onder andere in banke, versekeraars en ander finansiële instellings, asook ondernemings wat vaste eiendom hanteer.
- Vervoer:** Vervoer, obergang en kommunikasie wat insluit openbare en private vervoer, uitgesonderd daardie afdelings van die Suid-Afrikaanse Spoorweë wat in ander toepaslike afdelings geklassifiseer is, bv. aanleg en werke (konstruksie), werkwinkels (fabriekswese), ens.
- Dienste:** (Staats-, besigheids-, ontspannings- en ander dienste.) Hierdie afdeling sluit in die Staatsdiens, provinsiale administrasies en plaaslike owerhede, met uitsondering van daardie departemente of afdelings wat afsonderlik onder ander toepaslike nywerheidsafdelings geklassifiseer is. Dit sluit ook in opvoedkundige, mediese en gesondheidsdienste, asook navorsings- en wetenskaplike instellings wat gewoonlik op 'n nie-winsgewende basis navorsing in verskillende rigtings onderneem. Verder sluit dit in godsdienstige, welsyns- en arbeidsorganisasies; organisasies vir die bevordering van besigheidsbelange; kulturele en politieke organisasies; besigheidsdienste waaronder argitekte, ingenieurs, landmeters, regs- en rekeningkundige dienste; ontspannings- en vermaaklikheidsdienste en ander dienste soos huishoudelike, verversings- en akkommodasiedienste, wasserye en toilet dienste

- Beroepsgroepe:** Slegs in tabel 3 word vir 'n meer gedetailleerde lys van beroepe verstrek. Origens word slegs veertien hoofberoepsgroepe onderskei. Die beroepsklassifikasie wat vir die doel van hierdie verslag gebruik is, is gebaseer op die "International Standard Classification of Occupations", soos deur die Internasionale Arbeidsorganisasie opgestel, met die nodige aanpassings vir plaaslike omstandighede. Die basis van die klassifikasie van elke beroep is die aard van die werk verrig. Daar is dus beroepe soos plaaslike omstandighede. Die basis van die klassifikasie van elke beroep is die aard van die werk verrig. Daar is dus beroepe soos klerk, tikster, bestuurder van motorvoertuie, ens., wat bykans in al die verskillende nywerheidsafdelings voorkom. Andersyds is daar sekere beroepe met dieselfde benaming maar wat verskillend geklassifiseer word na gelang van die nywerheid. Voorbeelde hiervan

is masjini, masjienbediener, werktuigkundige, elektrisiën, stoffeerder, ens. Die aard van die werk hang dus in hierdie gevalle nou saam met die nywerheid.

Vir 'n vollediger beeld van wat onder die verskillende hoof-beroeps-groepe ingesluit word, kan tabel 3 geraadpleeg word. By die vertolking van die gegewens moet daar in gedagte gehou word dat die gegewens nie altyd beperk is tot die beroep wat aangegee is nie; elektrisiën, byvoorbeeld, sluit verwante elektrisiteitswerkers in, ens. Die volgende hoof-beroeps-groepe verdien egter verdere verduideliking:

(i) Administratiewe, uitvoerende en besturende werker:

- (a) Openbare administratiewe beampte het betrekking op administratiewe beamptes in diens van die Staat, provinsiale administrasies en plaaslike owerhede.
- (b) Besturende werker het betrekking op direkteure, bestuurders en werkende eienaars in private ondernemings. Werken- de eienaars in die groot- en kleinhandel is egter ingesluit by die hoof-beroeps-groep "verkoopswerker", terwyl boere en plaasbestuurders ingesluit is by die hoof-beroeps-groep "boer, visser, bosbou- en verwante werker". 'n Noukeurige klassifikasie van hierdie beroepe was nie altyd moontlik nie omdat die inligting wat in die opgawes verstrekk is in baie gevalle onvoldoende was.

(ii) Ambagsman, produksiewerker en arbeider:

- (a) Ambagsman en produksiewerker: Hierdie hoof-beroeps-groep sluit geskoolde ambagsmanne en produksiewerkers in, asook halfgeskoolde en ongeskoolde produksiewerkers. Vakleerlinge is ook hierby ingesluit.
- (b) Arbeider: Met uitsondering van plaasarbeiders wat by die hoof-beroeps-groep "boer, visser, bosbou- en verwante werker" ingesluit is, is alle ander arbeiders, hetsy in mynswese, fabriekswese of konstruksie, ens., by hierdie hoof-beroeps-groep ingesluit. Daar moet in gedagte gehou word dat by gebrek aan voldoende inligting, 'n noukeurige klassifisering nie altyd moontlik was nie, veral in die geval van Bantoes. Die algemene uitdrukking "arbeider" is in baie gevalle in die opgawes gebruik en as sodanig geklassifiseer, alhoewel die kodelys voorsiening maak vir meer toepaslike indelings. Waar hierdie ander beroepe soos vulstasie-assistent, skoonmaker van kantore of geboue, ens., geïdentifiseer kon word, is hulle as sodanig geklassifiseer.

(iii) Diens-, sport- en ontspanningswerker sluit 'n aantal uiteenlopende beroepe ten opsigte van dienswerkers in. Dit sluit in polisiebeamptes; gevangenisbeamptes; verkeersinspekteurs; opsigters; skoonmakers van kantore en ander geboue; huisbediendes, koks, ens., in private huishoudings sowel as in hotelle, losieshuise, ens.; kelners; kroegmanne; haarkappers en ander toilet-dienswerkers; wasserywerkers; lykbesorgers; vermaaklikheids-, ontspannings- en ander sportwerkers.

12. Identiteit van werkgewer omvat die volgende groepe:

(i) Openbare owerhede:

- (a) Regering
- (b) Provinsiale administrasies
- (c) Plaaslike owerhede ingestel kragtens Ordonnansies op plaaslike bestuur, die Kaapse afdelingsrade en alle ander plaaslike owerhede (Gesondheidsraad vir Buitestedelike Gebiede, Natalse Gesondheidskommissie, ens.).
- (d) Bantoe-owerhede (stam-, streeks- en gebieds-) en die Bantoehervestigingsraad.

(ii) Ondergeskikte openbare owerhede: Hierdie groep sluit in die Groepsgebiederaad, S.A. Bantoe-trust, ens.

(iii) Gesubsidieerde instellings: Hierby word ingesluit die Wetenskaplike en Nywerheidsnavorsingsraad (W.N.N.R.), Suid-Afrikaanse Buro vir Standaarde (S.A.B.S.), universiteite en sekere tegniese kolleges; nasionale kunsgalerie, botaniese en dieretuine; museums, biblioteke; Raad van Kuratore vir Nasionale Parke; S.A. Toetstestekorporasie, ens.

(iv) Openbare korporasies:

- (a) S.A. Spoorweë en Hawens, S.A. Lugdiens.
- (b) "Ander" sluit in Elektrisiteitsvoorsieningskommissie (Evkom.), Randwaterraad, S.A. Reserwebank, Land- en Landboubank, Nywerheidontwikkelingskorporasie, Vissery-ontwikkelingskorporasie, Bantoebeleggingskorporasie, S.A. Steenkool-, Olie- en Gaskorporasie (Sasol), Fosfaatontginningskorporasie (Edms.) Bpk., S.A. Yster en Staal, Industriële Korporasie Bpk. (Yskor) en Klipfontein Organiese Produktiekorporasie, ens.

(v) Private besigheidsondernemings: Sluit in landbou, mynswese, fabriekswese, konstruksie, finansies, handel (insluitende landboubeheerrade), vervoer, verversings, akkommodasie en ander diensnywerhede; verenigings en federasies vir die bevordering van besigheidsbelange; institute vir spesifieke nywerheidsnavorsing, ens.

(vi) Private huishoudings.

(vii) Nie-winssoekende organisasies: Sluit in verenigings, klubs en ander groepe van persone wat verenig vir opvoedkundige, kulturele, ontspannings-, welsyns-, godsdienstige, liefdadigheids- en ander doeleindes; vakverenigings, ens.

13. Werkstatus:

(i) Werkgewer: Sluit ook in persone wat vir eie rekening werk asook gesinswerkers.

(ii) Werknemer: Sluit ook in persone wat, na veronderstel is, moontlik in die arbeidsmag betrokke was. Waar "werkloos" nie as 'n afsonderlike groep getoon word nie word dit hierby ingesluit.

(iii) Werkloos: Sluit in persone wat hulle as werkloos opgegee het en wat, na veronderstel is, werkloos was.

(iv) "Ander" het betrekking op die nie-ekonomies bedrywige bevolking en sluit in persone wat, na veronderstel is, nie in die arbeidsmag betrokke was nie soos huisvrouens, kinders, chroniese invalides, pensioentrekkers, ens.

14. Inkomste: Die vraeys vir die Bevolkingsensus van 1960 wat deur Blankes, Kleurlinge en Asiëte ingevul moes word, het, wat inkomste betref, persone versoek om hulle totale inkomste gedurende die 12 maande wat 6 September 1960 onmiddellik voorafgegaan het of, indien verkies, vir die 12 maande geëindig 30 Junie 1960, aan te dui.

In die instruksies aan huishouders is "inkomste" as volg gedefinieer:-

"Inkomste: Salaris- en loontrekkers moet die bruto inkomste aantoon, dit is insluitende aftrekkings ten opsigte van pensioen, versekering, mediese hulpskemas, ens.

Boere, sakelui en persone wat professies beoefen, moet die netto inkomste aantoon, d.w.s. die uitgawes aangegaan ten einde die inkomste te verdien, moet afgetrek word.

By die inkomste wat verdien word, moet ook die volgende gevoeg word:- (i) pensioene, dividende, rente en ander gereelde inkomste; (ii) die waarde van vry of bevoorregte huisvesting en/of rantsoene; en (iii) die waarde van selfgeproduseerde landbou- en veeleelprodukte (insluitende lewendes hawe en pluimvee) wat deur die gesin verbruik is.

Die volgende moet nie ingesluit word nie: (i) ongereelde of buitengewone inkomste soos erfposies, uitbetaalde versekeringspolisse, skenkings, ens.; (ii) huishoudelike toelaes en sakgeld wat van een lid van die gesin na 'n ander oorgedra word".

Die vraag oor "inkomste" is een van die moeilike vrae in 'n bevolkingsensus, omdat, behalwe dat persone om watter rede ook al nalaat om daarop te antwoord, die inligting wat verstrekk is nie altyd in ooreenstemming met die definisie is nie. Daarbenewens is die inkomste wat verstrekk is nie altyd vir die volle twaalf maande nie omdat 'n aantal persone nie vir die volle tydperk ekonomies bedrywig was nie, bv. studente en skoliere wat hulle studies voltooi het en gedurende die betrokke tydperk begin werk het. Die gegewens wat verkry word, gee egter 'n redelike aanduiding van die inkomste.

Daar moet ook op gelet word dat "Geen inkomste" nie-ekonomies bedrywige persone soos kinders, huisvrouens, ens., insluit.

15. Domisilie: In tabel 56 wat slegs op Bantoes betrekking het, word "gebied van domisilie" met "soort gebied" gekombineer. Beide karakteristieke het betrekking op die permanente tuiste; eersgenoemde dui aan waar die permanente tuiste is en laasgenoemde het betrekking op die soort gebied binne die bepaalde gebied van domisilie. Vir 'n omskrywing van die ekonomiese streke wat in die tabel voorkom, kyk die kaart en gids voor in hierdie verslag.

16. Gebied van opname: In tabel 55 wat slegs op Bantoes betrekking het, word daar getoon in watter tipe gebied die persone opgeneem is. Die volgende tipes gebiede verdien verdere verduideliking:

(i) Ander stedelike gebiede: Woongebiede binne die munisipale grense maar met uitsluiting van munisipale lokasies en kampongs.

(ii) Substedelike gebiede: Woongebiede grensend aan die munisipale gebied maar met uitsluiting van munisipale lokasies en kampongs.

(iii) Staatsgebiede: Sluit in landboukolleges, opleidings- en proefplase, bosbou- en arbeidsnedersettings, ens.

(iv) Ander: Sluit in skeeps- en spoorwegreisigers.

17. Onwaarskynlike kombinasies: Daar dien op gelet te word dat sommige inligting soos verstrekk in die sensusopgawes soms oënskynlik foutief was deurdat dit nie gerym het met ander inligting in die opgawe nie. Die ongerymdheid is nie in alle gevalle deur die Buro opgeklaar nie en sommige van hulle word weerspieël in tabelle soos dié waar kombinasies van nywerheid en identiteit van werkgewer;

nywerheid en beroep; beroep en onderwyspeil; ens., getoon word.

18. Land van geboorte: Die benaming van die volgende lande het sedert die datum van die sensus verander-

Noord-Rhodesië is verander in Zambië.

Nyassaland is verander in Malawi.

Tanganyika is verander in Tanzanië.

19. Afkortings en simbole:

M. : Manlik

V. : Vroulik

T. : Totaal

St. : Standaard

Bv. : Byvoorbeeld

Ens. : Ensvoorts

Dip. : Diploma

N.e.g. : Nie elders gespesifiseer

S.A.S. & H. : Suid-Afrikaanse Spoorweë en Hawens

S.A.L. : Suid-Afrikaanse Lugdiens

S.-Afrikaner : Suid-Afrikaner

S.-Afrika : Suid-Afrika

S.A. : Suid-Afrika

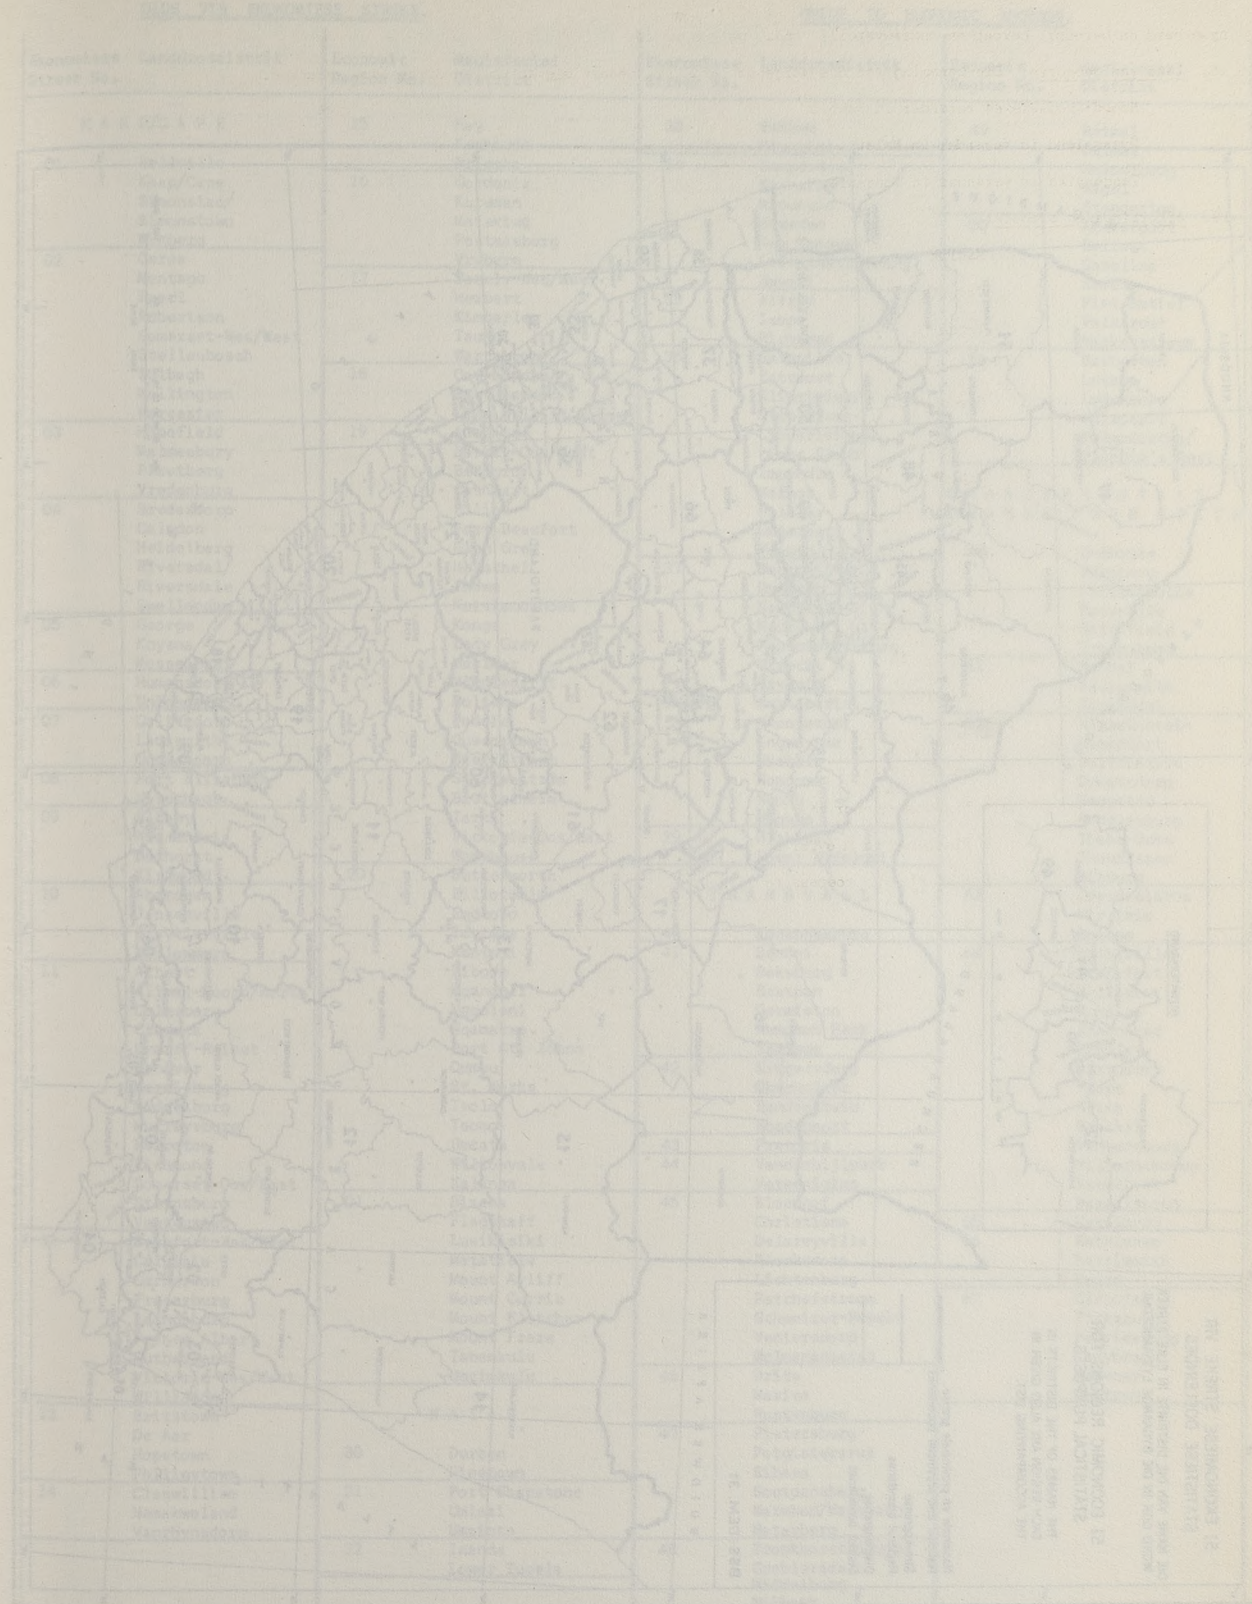

O.V.S. : Oranje-Vrystaat

? : Ongespesifiseer

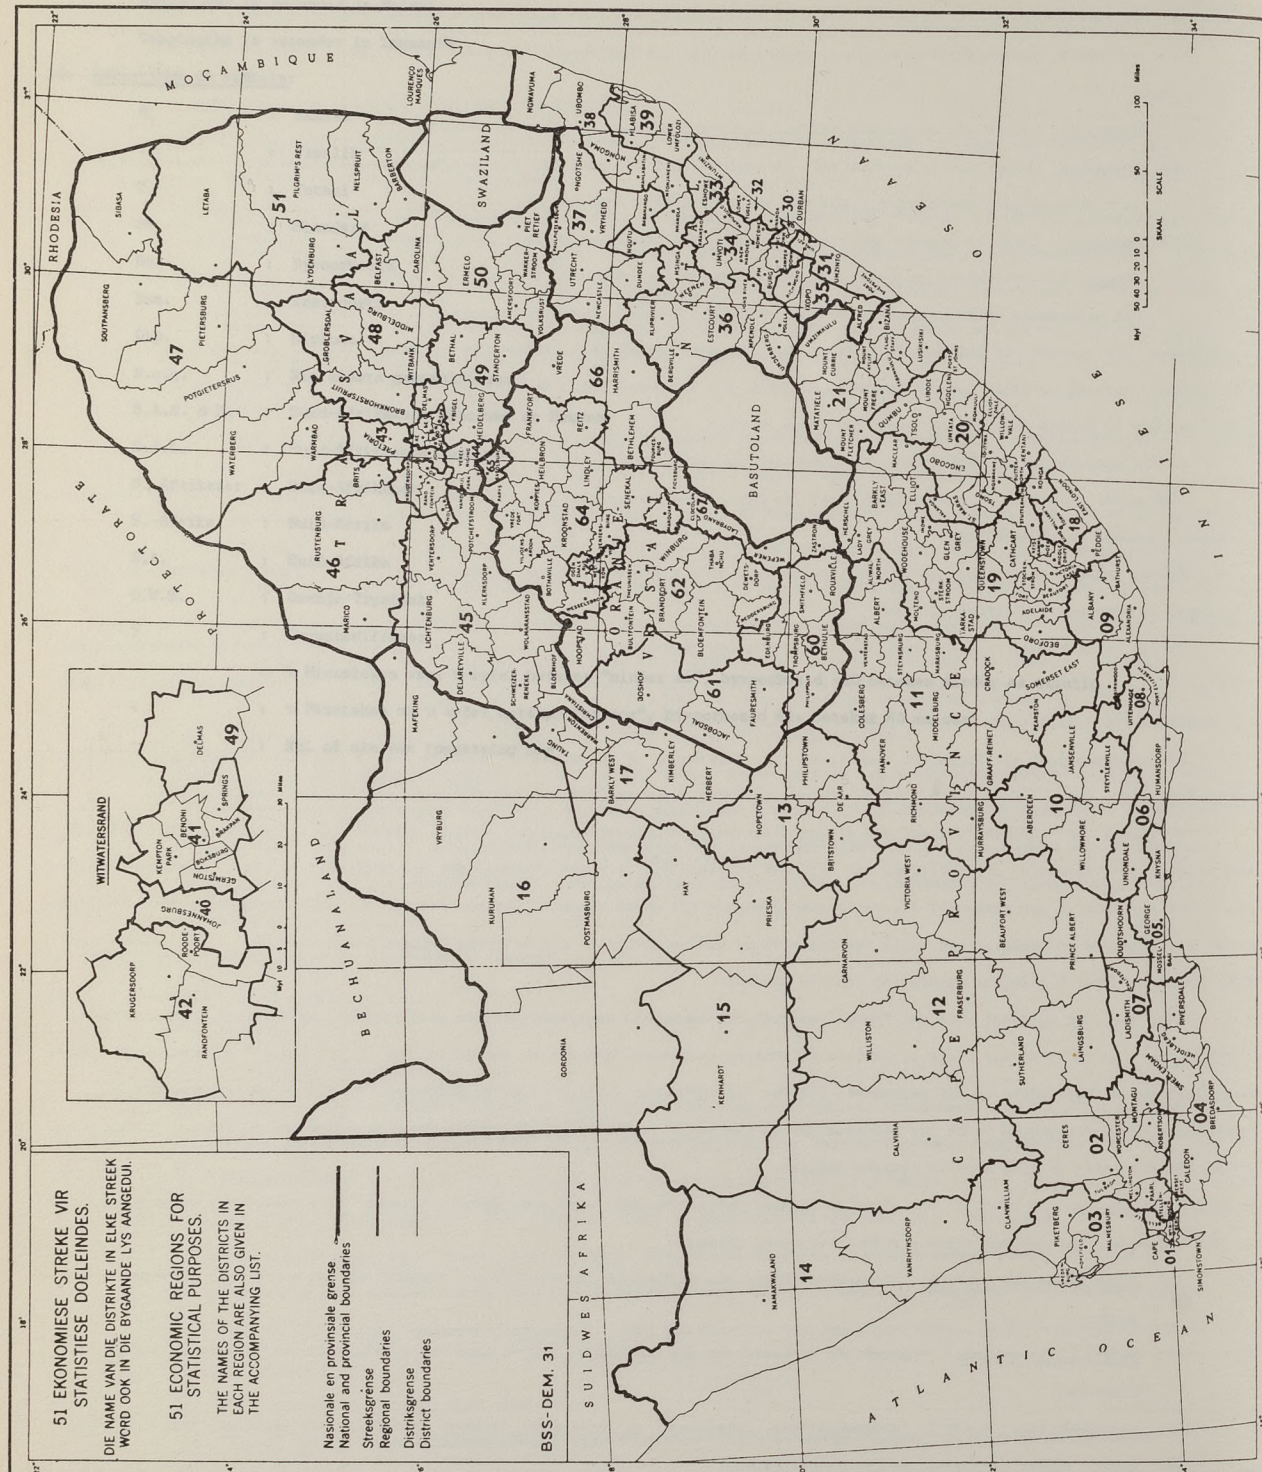

- : 'n Minusteken voor 'n syfer beteken "minder as", byvoorbeeld -20 beteken minder as twintig

+ : 'n Plussteken na 'n syfer beteken "en oor", byvoorbeeld 65+ beteken 65 en oor

- : Nul of nie van toepassing nie
