

BULLETIN. The November 1926 issue of the Bulletin has been published since the last meeting. It contained a bibliography on international cartels.

VISITORS TO THE LIBRARY. Since the last meeting of the Committee 58 readers' permits have been issued to individuals other than readers directly connected with the School.

SUBJECT CATALOGUE. Satisfactory progress is reported. The temporary staff now has the pamphlet collection in hand, and over half of it has already been catalogued.

In accordance with the decision reached at the last meeting of the Committee all members of the teaching staff have been circularised and had their attention drawn to the desirability of inspecting the subject catalogue in its present form with a view to making recommendations for works the Library should acquire. This circular has already met with a good response.
