

Miss Leung (Labour) called. Finds,
as we expected, that they probably
can't get emblems insured.
Wanted to know about value
— etc. Told her what I had told
you — £80 insurance would allow
25/- per group. A few (say 12)
could not be replaced for that
amount & come on Sat &
returning to the greenery on poles
(not many) and she could
return you telephone & country.
Emblems are to be fetched
away ~~at night~~ Wed? Evening,
Has Miss McArthur definitely undertaken
responsibility? AL/2761 M. Lowndes
