

Berlin March 31st 06.

AZ 3823

My dear Kelly I beg you will write
me a card to tell me whether you
are coming to Berlin, and when.
My own plans depend upon it, as
I should probably go to Brunnhens
for the Easter holidays if you were
not coming here. But I hope, you
will, and please bring your india-
rubber tub, as I have not got one
and you are used to these abolitionists.
She is starting for Messina to-night.

Yours sincerely

Alis. Cobbe
