Dear Miss Strachey

Many thanks. I am always
glad to speak for women & owe everything
in life to my mother & my wife. I wish
my mother were alive now to join in the
fight, but her spirit & influence is I am ever
around & about wherever I am. My wife is
one of God's good women without whom I
should fail & fail miserably & I always
feel the cheers are hers & I know the
Foil of her life & am hopeful in the days
to come, others may have it lighter & more haste
Always
