BAGLEY WOOD,  
OXFORD.

Dear Miss Strachey

My husband & I  
want to send you our warmest  
congratulations on the success  
of your Procession, ours too,  
but yours from the point of  
view of organization. We think  
it was splendid the way  
every thing worked so perfectly,  
& the way you made everyone  
work together. The punctuality  
of the start was most  
unsuspected & very creditable  
to you, & also the

punctuality of the arrival.

Then the distribution of tea & underground tickets to us

provincials was most faithful,

& I may add, very grateful.

Altogether, we enjoyed the day

immensely, & felt that it

was a triumph of good

management on your part.

Knowing you were at

Amsterdam, I did not write

sooner. I hope you have

enjoyed the time there, &

are not a complete wreck now.

But even if you are - Sat.

was worth anything!

Yrs. sincerely

Alys Russell
