March 12

From Mrs. HENRY FAWCETT, 2, Gower Street, London, W.C.

My dear Miss Ward, I am going to
Cambridge for the Day tomorrow for the
Newman Council & I will take Miss
Stowell's papers with me & read them
in the train & return them so that she
gets them again by Monday. The City meeting
was quite a successful coup. It was far better
reported than our meetings generally are.
I think we must do it again. Yours M. F. Fawcett
