

Berlin. 28. Febr. 04. AL/3821

My dear Mellor I have just received
an invitation from the British Association
for the Advancement of Science to be present
at the Meeting to be held at Cambridge
from 19th - 24th August, and Mrs. Rich-
wick has kindly asked me to be her
guest at the college for the occasion.
It is tempting, but still I do not want
to go over to England for these 7 days
if my friends should not be there at
the time. So please do let me know
whether you will be there or not. I
have to send an answer soon. Yours affably
A. Mellor
