The Cloisters
Hereford.

Dear Mrs Roberts

I have been so taken up lately with U. S. P. U. Suffrage Work - that the very important questions concerning the admission of women to the Priesthood have alas! been left unanswered.

Please accept my sincere apologies.

I think the Conference should be public & that both women & men should be invited. I much regret that I am not able to read a paper. With very good work for success in your great work.

Class E.

Ms. L. 4
E. H. Davis.

name to be mentioned as sympathizers

Yours Sincerely
Ethel Davis
