Dear Miss Gibson (<sup>Litrary</sup> Editor of various Periodicals)

I have sent your paper on to my  
two brothers & we none of us like it at  
all. However I have got an outline of their  
respective doings & I am trying to get hold  
of an extract from a paper that I think  
is interesting about the family. I am afraid  
your Editor must be content to wait if he  
wants the article.

Yrs sincerely  
A. M. Chamberlain
