From Mrs. HENRY FAWCETT, 2, Gower Street, London, W.C.

My dear Lady Frances, AL/2543

So many thanks for your letter. I
was sure you would understand.
Our family group of ten brothers
and sisters has been till now
wonderfully unbroken. Our eldest

Sister died nearly 47 years ago
and till last Tuesday she was the only
one we had lost.

I hope you are better and are taking care
of yourself. With your affectionately

M. Fawcett
