Dear

This Society, in co-operation with the National Union of Women's Suffrage Societies, and an influential Committee is arranging a public meeting in support of the Conciliation Women's Suffrage Bill, to take place on Tuesday, June 28th, at 8 p.m. at the Queen's Hall, Lady Frances Balfour in the Chair.

It is hoped to make this Demonstration an occasion of great importance, and we earnestly desire to make our platform as representative as possible.

I am desired therefore to invite the presence of two members of the Women's Industrial Council to support our speakers upon this occasion, and I shall have much pleasure in forwarding reserved tickets for platform
