To the Secretary,

We sincerely hope that your Voters' petition to-morrow may be a very large one and we suggest that a rough count be made as soon as the polling closes and every effort used to get the number of signatures announced at the same time as the declaration of the poll and also in the newspapers. Please keep the petition until you hear again and go on collecting signatures if possible until the end of January.

Good luck and best wishes for to-morrow.

SIGNED ON BEHALF OF THE EXECUTIVE COMMITTEE.

Marion Phillips.
