Dear Miss Tompkins,

You will see by enclosed bill
that we have organised a series of
Public "At-Homes" in this district on
each Thursday of this month. We are
however having great difficulty in
getting speakers so many having promised
and then through Alchmery or some other

reason written & said it - was impossible
Would I could you come and speak at
one of these on Thursday March 18th?
I should be ever so grateful if you
could. Mrs. Tapan has promised
to come but one speaker cannot fill
up the whole afternoon.
Trusting you will be able to let me
have an early & encouraging reply
Yours sincerely

Dr. E. S. Sudd Brown.
