May 5th 1876

Dear Mr^s Garrett Anderson

Lord Granville has
asked me to get him the
best statement I can of
the claims of Women to
Medical Degrees. As I feel
sure that you must know
best what would be most
suitable, I venture to ask
you to forward to him

(10 Carlton House
Terrace) with as little delay
as possible what papers
you deem most powerful.

I believe that Lord G.
intends taking up the sub-
ject in his Address on our
Presentation Day; and if
you would like to be
present, I shall have
much pleasure in send-
ing you an Admission.

It will be on Wednesday
next at 2 P.M.

Believe me

yours faithfully

William B Carpenter

Mrs Garrett Anderson
