TELEGRAMS, MARSHALL, STAIR.

My dear Madam,

I hear from Miss Strachey that
Lady Brassey has kindly offered
to give a drawing room meeting
for Women's Suffrage and that
you hope Lord Brassey will take
the chair. I have only
just rec^d Miss Strachey's letter
& telegram and I have

telegraphed back asking if

Tuesday November 1st will suit

Lord & Lady Brassey.

If this should be an inconvenient

day for them, I could manage

Tuesday Nov 15th.

I am so pleased to hear of

you having joined the London

AR/866

Society for Women's Suffrage.

Believe me, yours faithfully

—
M. J. Sawrth
