I don't think you will hear news  
until tomorrow. Tell Patsy to  
write to the Restaurant about  
the Thomas plates. I have  
only one & there are three. They  
are either at Holloway prison  
or at the Restaurant. She  
must please find out. or we  
shall lose them. They don't  
send the tea - So please stop  
if as I do not want it. There's  
get it till ten o'clock at night
