Dear Mrs Whitting,

It would give me great pleasure to take the Chair at your Meeting on October 24th, when Miss Browning will lecture on the Garden City Inspiration.

I will endeavour to be with you at 3.45 as I shall enjoy meeting you.

May I have a few invitation cards?

With my dear love to Mrs Alfred Booth next time you write,

I remain,

Yours very truly,

*H. O. Barnett*

*Do you know any one who will send their motor for me ?*
