Dear Mr. Harvey

Here is my
subscription to the
Yorks. Co. Un. with
best wishes to its work.

I do hope that your
daughter has pulled
through all right? Was
it another baby, or what?
I was so distressed to
hear how dangerously ill

29 MONTAGU SQUARE

She was.

My husband is quite well again. They have transferred him now to "munitions" & he is working at his old job of chemistry where his expert knowledge will be of great value. So I am very glad of this from every point of view!

I wish you could see my

two babies. I took the boy to the BW Subcom^{tee} yesterday — shocking to interrupt their proceedings! — He was quite good with such a large company of strange people, though he glared at them with a sort of fierce self-defence lest anyone should take the liberty of kissing or touching him!! He is 17 months old, & baby is 3 months - ages which take up a lot of my time: it is delicious

being with them.

Yours affec.

Dorothy Henley.
