Dear Madam,

With regard to the Petition Forms which you have already received, it has been pointed out that the term "Municipal Elector" is only applicable to those who vote in large Municipal areas and that elsewhere the signatories should be described as "County and Parochial Electors" or according to the description given on the Registers.

The forms already sent you can therefore not be used in rural districts and for these we are issuing another form of which the heading will run :-

"We the undersigned,Electors"
the intervening space can then be filled in with the words "County and Parochial" or whatever the circumstances may require.

Kindly let us know how many of these forms you wish sent you.

Yours truly

A. W. COOKE,

Assistant Secretary.
