Dear Miss Louisa

I wonder if you would
be interested in some
photos I have

I was a worker in
Armstrong Whitworths in
Newcastle on Tyne (1915)

Miss May Mathews & Miss Dorothy
Jewson & before them a lady
called Mrs Henry Sawcett

were our Secs, & organizers
I read in one of our
papers that you had a

Museum & I have often thought

of sending these photos to you
May Mathews married a man called
Ernest Whatmough & I attended a
delegation to the Ministry of Munitions
with Miss Mary McAuliffe also
a procession from Great Threadneedle
St to 10 Downing St, when Mr Lloyd
George, advised the women of England
to try for the vote for women of 31 yrs
I came out to this country in 1925
& have lost touch with all these people
I am now an invalid pensioner but

If like someone to have these
photos kindly let me know if it
worthwhile sending them to you

Yours Sincerely

M. Cayley
