

AL/802  
Hardy Mrs Thomas.

June 22<sup>d</sup> 1910

Dear Mr Hardy.

I am extremely sorry  
to receive your card & to hear  
that a formal receipt for your  
kind gift of 10/- has not yet  
reached you. I am making  
enquiries in regard to this &  
will write again about it.

I am exceedingly sorry  
if anything in Miss Newcombe's  
visit should have seemed  
to suggest that we for a  
moment supposed you to be

AL/7  
a supporter of the militant  
societies. This would be an  
exceedingly foolish mistake  
as I have always known how  
much you objected to their methods  
& have hoped that though for  
a time you left no (on account  
of your dislike of these very  
methods) still your belief in  
the justice of our cause would  
lead you to return to this  
Constitutional & Law Abiding  
Society. For this reason it  
was a very great pleasure  
to receive your kind letter &  
subscription & it would be a

Subject of deep regret to think  
that any action on our  
part had caused you  
annoyance.

Hoping very much  
to hear from you again

I am

Yours truly

P. Strachey
