My dear Friends

My left hand

signature is very bad - but
I cannot let the address of
them go without signing
most likely my last signature
but I have firm faith in the
success of our cause. It is
long since our first meeting
when you were the only
woman speaker. I wish I could
have lived to see our victory. I may
be conscious of your success!
Remember me very kindly to

Your sister

Yours very affectionately

Mentha Taylor
