TIME & TIDE

INDEPENDENT NON-PARTY

AL/1299

Dear Miss Watts - I am
extremely sorry but I am afraid
that I have already booked
as many - if not more - lectures
than I can conscientiously
manage for 1954. It is with
very great regret therefore

that I fear must refuse your
invitation. Please will be
convey my sincere respects
to your Committee

Yours very sincerely

L. V. Woodwood

Excuse the ill-fitting envelope - The
office is still a little disorganised
or can find no other.
