My dear Miss Salomon:

It will give me  
pleasure to meet the representatives  
of British Colonies and to try to interest  
them in the coming Congress.

However, I cannot  
manage it on the date you mention.  
I must give my exclusive attention  
to the Board meeting and the business  
depending thereon during that en-  
tire week. I am leaving on Dec 1  
and probably my luggage  
will go on the 30th; therefore I con-  
vener by you I will choose Mon 27  
Tues 28 or Wednesday 29. Let Mrs Bonitas

From which you take of any and  
she will inform me when I arrive  
in England.

Very truly
