Dear Miss Strachey - If you could
have me March 2nd. it would suit
me better than the 23rd., but I
could manage the 23rd.. I will
try to get up a lecture on "American
Pioneers"; unless you think one on
"Speaking" would be better. But

"Speaking" isn't Suff. & it takes
50 minutes.

Mrs. Benius Smith of 7 Eaton
Terrace, Eaton Sq., is just engaging
me for a drawing-room meeting
then on Wednesday, Feb. 17th. - I
think she is one of your members.

Yrs. ever
