Dear Madam

Wanted by our kind  
Send me over as early as  
you can copies of Mrs. Fawcett's  
letters to the papers in the  
last 3 years or so on  
women's suffrage & any  
of her speeches. Also any of the  
literature on speeches. It  
can contain a special good

It is no use sending  
ordinary letters I mean  
I am hopeful that my  
husband may speak in  
Indebent West side & he  
wants this material. You  
can send them over & have  
much good use be done  
I want him to speak very  
much as a front bench man  
- he is a taped supporter

behest a supporter &  
to speak on its behalf

I think half to make  
him better

Yours truly
