Dear Mr. Oliver Stanley,

I am requested by the Women's War  
Emergency Council to send you the Resolution  
enclosed, and to request you to take the  
matter into urgent consideration.

It is a concession that could  
be made at very small cost to the country  
and would be greatly appreciated by those  
who are giving their lives for the National  
Cause.

Yours faithfully,  
*E. Sylvia Pankhurst*
