My dear Mr. Ward,

If you can let me have  
a line to say how things are  
arranged for the City meeting  
I should be glad. I hope  
nothing has been said or  
done which will cause us to  
lose the help of Sir E. Bask.

I believe he is a member of  
the Court of the Fishmongers'  
Co. If he is will you let me

know as I ought to announce  
it when I introduce him,

I know that he is Chairman  
of Corroction of the Members. 77

London.

We are having a very successful  
series of meetings here.

Yours very sincerely

W. Fawcett
