Dear Madam

In reply to your letter of Oct 29<sup>th</sup>

1) I am in favour of <sup>the</sup> National Union confining itself to propaganda work at bye-elections.

2) I am not in favour of the National Union adopting militant tactics. I think it is desirable to have two societies with two different types of tactics as then a larger

number of converts to the cause can  
be made. ~~that~~

yours faithfully  
Mrs) E. Ganswill
