Dear Mrs. B. G.,

I had expected that by now you would have heard from Miss Bach, but she now writes to say that she thinks it would be better if I replied myself as such information as she has in family letters is not for publication or reference without the consent of Miss Pankhurst. I think she has a feeling that the right person to approach is Dame Christabel Pankhurst who has all the information required about her father, but I gather that that from your standpoint may be difficult.

I would suggest that you consult with Arthur Worsley, the Secretary of the Lancs. Cheshire & North Western Liberal Federation, 4th Floor, 3 Cross Street, Manchester, 2., and Mr. Philip G. Robinson of Danlee Buildings, 53 Spring Gardens, Manchester, 2. (he will be on holiday from 6th to 18th August). Both of them may be able to find some old Liberal records, or could, alternatively, at your request, consult the "Manchester Guardian" files for the obituary notices of Dr. Pankhurst.

I myself will write to Arthur Worsley and to Philip Robinson telling them that you may be approaching them.

Yours sincerely,

Arthur Harris
