Dear Miss Stacker,

In case there  
is any chance of your  
thinking of another model  
I will write the suggestion that  
as long as it is before the  
closing of Parliament  
I would be soon enough  
& that would give some  
time to arrange it -

If it <sup>has to be</sup> ~~was~~ on a Saturday  
then 27<sup>th</sup> July would appear

The latest date possible -  
Possibly before Bank Holiday  
arrived also be advisable

How would it do as a change  
on the former march to  
end up in the Park - like  
the Railway men! In  
summer weather that  
might do well - & would  
be cheap & effective.

Yours sincerely,

Florence Sitaeig.

Thursday -

Dear Miss Strachey

I would like

very much to make

~~the suggestion that~~

the Suffrage Societies

have another Procession

like the one you managed

so well in the autumn.

We should be ever so

much obliged now

I should make a  
grand show & impression  
& the weather would be  
better.

Before people go out  
of town.

Yours sincerely,

Florence Schlegel
