W.C.L.

Dear Mr. Beres

Pray accept yourself, & Conway & your
Com^{es}, my cordial thanks for their kind message.
When I first heard of the intention of the Com^{es} I
hardly knew whether I was pleased or not, but
the large number of delightful letters (yours

among them) made me feel quite certain that pleasure
outweighed regret.

Believe me, with renewed thanks,

Yours sincerely,

M. S. Dawrite
