Dear Miss Strachey

I am afraid it is not possible
for me to go to Nottingham.

Also I shall be an absent-
-ee next Wednesday; the
Anti-Sweating League Com-
-executive have a meeting at
3 that afternoon which I
think I must attend. Please
make my apologies to the
meeting. I have a letter last
night from Mr. William Meredith

asking me to "convey to your
society my deep appreciation
of the expression of sympathy
contained in your letter of
May 20."

Frederick is delighted that
you think she might become
an organizer and says she would
have no trouble to try and
make herself fit. What steps
ought we to take? Should she
make a formal application?
We are rather anxious to
have some work definitely
settled for her for the autumn

as soon as possible, let her know how
herself without any. Also, if she should be
appointed, she would at once begin a course of
reading, so as to ground herself thoroughly in the
principles and history of the movement.

Yours very truly

Clementina Black
