Petrie (Flinders)

8, WELL ROAD,

HAMPSTEAD.

20 Jan 1912

Dear Madam,

My friend says that Miss Petrie is obliged to take entire rest at present as she has been unwell lately; & she has a very trying month before her of daily attention to subscribers at the Exhibition of the British School of Archaeology, the whole personal detail of which is entirely in her hands.

8. Hill Road

HAMPSHIRE

He will therefore be
unable to undertake
anything else until the
end of July. I wish he is
away for entire rest.
Yours truly,

Wm. J. Petrie.
