Dear Miss Strachey

I am delighted to
be able to write & tell
you that we are waking
up at last, & yesterday
started a nucleus of
a Suffrage Society for
Gloucester with the
object of obtaining the
Parliamentary Franchise
for Women on the same

terms as it is, or may
be, granted to 'New -

Thirteen joined, promising
to study & discuss the
subject & to meet from
time to time for that
purpose - This was not
a public meeting, but
one following as a meeting
of the Glos. Branch of the
N. U. W. W.; there will
be many more at the
next meeting which we
hope will be in Jan-7 -

Meanwhile I want to
circulate, or to have ready

AL/252 cont
Movement for the P. Suffragist
of Women" —

"My experience is that
when women know just
a little they get quite
keen on knowing more!
but down here we hardly
realise how little we
know -

Please help us, & enclose
account for papers with
them -

Y^{rs} Sincerely

F. Ella L. Watson.
