Dear Miss Strachey

You kindly sent  
me notice of a suggested  
W. S. Reception on Wedy  
Nov 9<sup>th</sup>; and I think when  
the matter should be  
settled, for or against,  
invitation Cards would  
be issued if the Reception  
was to take place -

I believe none have ar-  
rived for me, but I  
may have overlooked  
them - If the latter,

HILLSTON

tho' I am ashamed to trouble  
ble you - will you cause  
the Tickets to be sent to  
again? I speak of them in  
the plural because my  
deafness prevents my go-  
ing about alone. <sup>Had</sup> Will  
this fact together with ad-  
vanced age that prevent  
my joining personally  
in London work - but  
the Reception would give  
me an opportunity of  
meeting my fellow suf-  
ferers that I would  
make a great effort

to profit by -  
Please pardon this  
intrusion on your  
time.

Sincerely yours  
W. Davenport - Ill.
