Wednesday

My dear Pippa

I shall be delighted  
if Dorothy will come too  
on Saturday. The train  
starts from Waterloo (main  
line) at 11.45 a.m.; you  
take tickets to Camberley,  
but will have to change  
either at Woking, at 12.40  
or at North Camp Station

(next but one after looking)  
at about 12.55. I think  
probably at North Camp, but  
the guard will tell you.

You get to Canterbury at  
1.15 & can go back at 4.51  
~~PM~~, reaching Waterloo at  
6.26.

I will meet you at the  
station.

I have written the same  
instructions to Grace, so

you had better fix it up  
with her about meeting etc.

I hope it will be a  
decent day.

Yours affectionate brother

Dick
