PLEASE ADDRESS REPLY TO—

My dear T. B-G.

26 West End Lane  
N.W.6

Many, many thanks

July 19th 1956

for your most interesting speech on

July 14th. Several people told me they would like  
 you to have gone on soon. It is most useful to tell  
 newcomers the early history, & we older ones have

time of listening. I expect we shall hear more

of your pointers for the future.

I hope you had a good drive to

Dorset. I delayed writing at once as you were

away.

I also hope you have got a satisfactory

cat-minder. Our old Charles is ill and

are very worried.

Yours sincerely

Stella Newman
