

Collard's have invited me to address  
their employes tomorrow at 2. There  
are 600 of them, all earning from 30/  
to £ 3.10 per week. I have of course  
accepted, gladly. Miss Martin & some  
other St Pancras allies will go with me.

Thanks for your note & enclosure. £2 2/2

have just come from one who was at the Paddy  
meeting, but this need not stop me from speaking  
to Mr. Christie. Will you be at the Eyre Arms?  
Does the 'general disputation' extend to Old Moorhouse?
