~~Wednesday~~

Dearest Billie

I am so sorry for you
having two Sundays this week.
For I know how dreadfully dull
to find them. You have even
only to endure the discomforts
of your present dwelling place for
you need have no outside
anxiety, all is well, that
a cheerful card from Dor
this morning and she says
Frankie is looking well
after Markie and staying here
for home. I cannot get

away just now but as soon
as possible I shall take Helen
to Nottingham for a day or two
to see all the children.

I wonder if you have received
my two parcels, you ought to
receive another from Patience
tomorrow (Thurs.) If Mr. Hartman
will let me know about these
parcels I will either send him
or write to the Governor about
it. I shall be very glad to hear
how you are, the weeks are
slipping by and we shall be
looking forward soon to meeting
you again. Much love to my
Darling sister from
Auntie
