Dear Lady Bertha Dawkins,

I am writing to you on behalf of our Committee to thank you very much indeed for interesting Her Majesty in our work and for the visit that she paid us yesterday. It will give a great impetus to our work and be of very great help to us in our efforts to enlarge the shops and to increase our output of pupils, and it will also be a pleasant memory to all who were there.

The Grocery classes which I mentioned to Her Majesty are held five days a week, from 8.45 a.m. to 5 p.m., at the London County Council Trades School, Lime Grove, Shepherds Bush, W. I shall be only too glad to send you news of any other interesting classes or other developments that we meet with in our work.

We should feel very grateful if you would convey to Her Majesty our most sincere thanks for her kindness yesterday afternoon and our hope that she enjoyed her visit as much as we did.

Yours truly,
