My dear Mrs. Jewell,

I have just  
heard the news of  
dear Mrs. Jewell's death.

I need not say how  
grieved I am. I can  
understand what

it means to you and  
I sympathize most  
deeply with you.

I shall always  
cherish your dear  
mother's memory and  
be thankful for having  
been so fortunate as

to win her regard.

With affectionate  
& sympathetic greetings

to you & Miss Farrell

always yours very sincerely

F. J. Dufur

I wish I were not  
so far away.
