LONDON, S.W.

October 14th 1909

Dear Miss Strachey,

I enclose Report with the cuts marked. I hope you will agree to them because I am trying to get into the Report this time fairly full reports of the important speeches and that makes it particularly bulky. But under the special circumstances - the agreement to send round the Reports - I did not wish to summarise it as has usually been done in such cases - without your seeing it.

Yours truly,

Marion Phillips
