Dear Mrs Roberts,-

Thank you for
your letter - I am not
surprised the conference
is to be put off, but I am
sorry. Personally I think
it would have been
better to have it, & we
should then have been
in a position when things
quiet down if they were!

to have passed for an
immediate consideration
from the Bishops of the
question -

I feel that the war must
last for a very long time,
it has got to be a fight
to a finish, the finish
may be 3 years ahead.

I did not think the
allusion to our Conference
could have come from
you - I wondered who gave

the information to Mr.
Hill - There was a
very disagreeable grinning
allusion to it in the
Byelander a week or
so ago - I expect this
emanated from an Anti-
suffrage quarter -
I hope not to see touch
with you, I was so
pleased to meet Mr
Roberts at the Church
League Council -

The war has brought my
special work to an end,
but I am to work on a
relief committee in N/C.

Yours sincerely
Isabel Barnet.
