From Mrs. HENRY FAWCETT, 2, Gower Street, London, W.C.

Please make a note to uniform Miss Alice
Stansfield. Parish House. Glasgow Terrace.
Paucho. London of any W. S. ^{social} meetings which may
occur in London.

I have made a note of the name of Miss C. E. Swaine
York Cottage. Woburn Sands as a friend of Suffrag.
I do not know if this is the Central district; but I
not perhaps you would have it in the N. U. I do
not know Miss Swaine, but I saw a letter of hers
which clearly showed her interest in W. S. M.S. 7

Dear Miss Strachey,

Will you kindly let me know if there
are any London meetings coming
on? Our neighbour Mr Marshall
28 Bedford Square has the
conversion of a friend in hand
and is anxious to take her to what
is likely to be a good meeting.

Yesterday when Southsea was being

discussed, I forgot to mention

that I have promised to speak

^{in U.S.}

at some time in October (exact

day not yet fixed) to the "Society."

The Hon. Sec. is G. Vitellone, "The

Western Parallel Society

Society" was started in 1897 by Lady

Celine Seymour. It is possible that

This meeting might be utilized by

the struggling infant W.S.

Society in Southsea

Yours sincerely
